

Ahead With English

English classes for children

Hello and welcome to our pre-school program!

We look forward to having your child with us as they take their first step from home into pre-school.

Our emphasis is on developing English skills through conversation, games, preparation for reading and writing, drama and music. The program incorporates topics such as fairy tales, learning about shapes and numbers, exploring the world around us, as well as movement and physical development.

In order to maintain the smooth running of the pre-school program, we would like to make you aware of the following:

Clothing: Your child will need indoor shoes/slippers. Clothing should be appropriate for indoor and outdoor play, as we will be taking the children out to the playground, weather permitting.

Snack: We ask you to provide your child with a healthy mid-morning snack. Please avoid cakes and sweets – except for birthdays, if you wish!

Drop-off and collection: Pre-school program hours are from 8.30 – 11.30. Drop-off is between 8.30 and 8.45. For your child's safety, please drop them off and collect them directly from the pre-school door. We will only allow children to be collected by someone other than the parents if we have been informed of this beforehand.

Age range: We accept children in the 3 -5 age range, but will take younger children who are ready for pre-school. All children have to be fully toilet-trained.

Absence: When possible, please notify absence on the school phone or via email.

School phone number: 079 273 2203 – we do not have an answering machine.

You will receive regular information about topic work and events in the pre-school program year. Please feel free to contact us if you have questions or suggestions. You know your children best; by working together we will ensure they have a wonderful time in pre-school, as they develop their English skills in a stimulating environment.

Best regards,
Maria Stepan
